Gyöngyös

Dear Competitors!

I am very pleased to welcome you in Gyöngyösön, the capital of Matra. It is an honor for us to provide location to the National Championship of the Hungarian Orienteering Federation. As a former athlete I know what a big job to prepare for a competition especially if the country's bests participate there . You have already achieved that impressive result you are here. I wish you good luck!

As Mayor I also hope that these days will be remained in you as fond memories, even if you return home without any medals. I hope it will have the opportunity to get to know our city and the Matra those parts of it that are not in the race map. Soon you will experience that our city is one of the most beautiful parts of our country lies in the country's highest mountain range in the foot, so many places to visit, offering recreational opportunities to the visitors. The Matra Museum, Sástó, Mátrafüred, Kékestető, the wonderful forest hiking trails, rich church treasures, and the unique collection of Franciscan books are just a few ideas about what worth visiting in this area.

I hope that the experience gained during his time here that will motivate you to come back with their family and friends here to gather new experiences. We would be delighted to entertain you other times as well. I wish successful competition for everyone, and I recommend the Mátra's excellent wines to the celebration- not only for the winners.

Hiesz György  
Mayor

## **QUALIFICATION**

**Planned „0” time: 9:00**

### **Quarantine:**

Untill 9:00 all competitors must be inside in the quarantine area! ***Competitors, who misses the closing time can be disqualified!*** Quarantine is 750 m from the competition center, please follow the white-blue stripes. Entry from 8:30. Water, toilets and mobile toilets are provided in the quarantine. In case of bad weather indoor area is ensured. Clothes will be brought back from the quarantine.

### **Starting:**

In the qualification we apply pre-start. Pre start is in the quarantine, start is 250m from there it can be reached on red stripes. Competitors will step into the pre-start corridor 7 minutes before the start. Extra symbols will be available in the corridor, before the start. Step into the start will be 3 minutes before the start. SI cleaning and checking will be done inside the corridor . You can take your map at the moment of the start. Course's start is 50m from the real start.

Information plate will notify the competitors about the order of the maps. Please check the category and the qualification group ( which is indicated on the race number) on the map as well! (e.q.: M14-1, M14-2). Code of the controls will not be printed next to the control numbers on the map.

### **Symbol:**

Extra symbols will be available inside the start corridor. We will provide scissors and stick tapes.

### **Start number:**

For all categories, wearing race number is compulsory during the qualification and final as well. We will provide you the race numbers in the club packages. Fixing the race numbers please bring safety pins with you, because we can not provide it in the club packages, but we can provide it at the registration table only limited quantity. „Get the green sport green out!”

### **Terrain:**

Town area, with block houses, parks and playing grounds, visibility and runability are excellent. Suggested clothing: short. **Using of spikes shoes are forbidden and unnecessary!**

### **Special restrictions:**

Courses cross some roads without heavy traffic, but please keep the traffic rules! Cross the restricted areas – high walls, fences, flower beds and other restricted areas- are forbidden and it is also severely checked by the organisers. ***Competitors who crosses restricted area will be disqualified!***

### **Map:**

Made in 2016, scale 1:4000, contours 2,5m, with ISSOM 2007 symbols. Size: 215 x305 mm for all categories, printed in waterproof – pretext- so we can not provide plastic bags at the start.

### **Finish, SI- card read out:**

Qualification finish area and competition center are not in the same place, but SI reading out will be in the finish area. ***Competitors who doesn't read out till 11:30 will be considered as disqualified competitors,*** so they will get the lowest final group. Green stripes will lead to back to the blue- white stripes to the quarantine, to back to the competition center it's length is 850 m.

### **Maps collection:**

After the qualification maps will not be collected. To ensure fairness we ask all finisher competitors to stay in the finish area or follow the marked route back to the competition center, and not back to the competition area!

### **Results, final start lists:**

Results and final start lists will be published on paper and online, and it will be shown on a projector in the event tent. Final start list are expected for 13:00.

### **Qualification for the final:**

24 competitors will qualify to the final A, the next 24 competitors to the final B etc. Foreign competitors are included in these numbers.

If there are less than 5 competitors in a final, then those competitors can start in a higher-ranked final.

## FINAL

**Planned „0” time: 15:00**

**In the final first runners of the categories will start at times below:**

15:01	N60A, N45B, N14C, F14E, F70A, F40B, F55B, F21C, F45C, F14D
15:02	F75-A
15:10	N40B
15:14	N70A
15:15	F50B
15:19	N65A, F50B
15:16	F80A
15:19	F60A
15:23	N50A
15:25	N14B, N16B F50A, F55A, F60A, F65A, F14B, F18B, F21B, F35B, F45B
15:30	N55A, N14D
15:33	F14C
15:34	F16C
15:44	N21B
15:49	N14A, N16A, N40A, N45A F14A, F16A, F18A, F35A, F45A, F16B
15:52	N18A
15:53	N20A
15:55	N35A
15:57	F20A
16:04	F40A
16:13	N21A, F21A

Competitors start per minutes, in categories senior II. per 2 minutes.

After the qualification, before the final till 13:30 moving is allowed only on the main square and Kossuth utca. The other parts of the downtown is forbidden, entrance leads to disqualification!

During and before the final, from 13:30 till 17:30 competition centre, and buffet can not be left, besides that competitors allowed to be in the quarantine.

Forbidden areas are indicated on interactive map.

### Quarantine:

Untill 14:45 all competitors must be inside in the quarantine area! ***Competitors, who misses the closing time can be disqualified!*** Quarantine is 120 m from the competition center, please follow the white-blue stripes. Entry from 14:30. In case of bad weather quarantine will be placed to the competition center. Water, and mobile toilets are provided in the quarantine. Clothes will be brought back from the quarantine.

### Starting:

Competitors will step into the start corridor 4 minutes before the start. SI cleaning and checking will be done inside the corridor . You can take your map at the moment of the start. Information plate will notify the competitors about the order of the maps. Please check the category and the qualification group on the map as well! (e.q.: M14-A, M14-B). Code of the controls will not be printed next to the control numbers on the map.

### Symbol:

Extra symbols will be available inside the start corridor. We will provide scissors and stick tapes.

### Start number:

For all categories, wearing race number is compulsory during the final as well. We will provide you the race numbers in the club packages. Fixing the race numbers please bring safety pins with you, because we can not provide it in the club packages, but we can provide it at the registration table only limited quantity. „Get the green sport green out!”

### Terrain:

Downtown of Gyöngyös, with courtyards,narrow streets, some parks and playing grounds., with limited traffic. Visibility and runability are excellent. Some of the terrain lead across some parks, where the grass is higher than usual- cca. 30 cm- but it doesn't influence the running speed. **Using of spikes shoes are forbidden and unnecessary! Suggested clothing: short.** In the final we apply artifical barriers, which forbidden to be passed or entails disqualification.

### Special restrictions:

Courses cross some roads without heavy traffic, but please keep the traffic rules! Cross the restricted areas – high walls, fences, flower beds and other restricted areas- are forbidden and it is also severely checked by the organisers. ***Competitors who crosses restricted area will be disqualified!***

*Some of the categories contains a fence with passageways, but it doesn't indicated on the map.*

**Map:**

Made in 2016, scale 1:4000, contours 2,5m, with ISSOM 2007 symbols. Size: 215 x 305 mm for all categories, printed in waterproof – pretex- so we can note provide plastic bags at the start.

**Finish:**

Finish will be placed on the main square of Gyöngyös. At Szent Bertalan's Church, during the final a wedding will be held. ***Please do not step into the closed area in front of the church, and pay attention for the ceremony!***

**Maps collection:**

After the final maps will not be collected. To ensure fairness we ask all finisher competitors to stay in the finish area and do not go back to the competition area!

**Results, prize giving ceremony:**

Results will be published online, and it will be shown on a projector in the event tent.

Prize giving ceremony will be held on the main stage on the southern end of the main square at 18:00. There will be no prizegiving in open categories.

**Prizes:**

The winner's of the categories awarded to be the Hungarian Sprint Champion. Finishers 1-3 places will receive medal and gift prizes.

## **RELAY**

**General information:**

Categories V14, V18 and V21 have 4 legs. 2 men and 2 women run, the sequence of them is determined : woman- man-man- woman.

Categories V105, V135, V165, V195 have 3 legs. At least one woman, and maximum two men run, the sequence of the runners is free, but the legs are different, and it's sequence has to be long- middle- short .

In each categories, women can run men leg, but men can not run women leg. Planned winning time is 60 minutes in each categories ( 15 and 20 minutes per legs.) Due to the terrain winning time will be higher than planned winning times. Competition time : 120 minutes per teams.

### Relay- member registration:

We kindly ask all team leaders or members to register the runners' sequences in ENTRY till 20:00 , 10 September, or fill the enclosed form in, and it should be submitted in the competition center from 12:30 to 17:30.

**Planned „0” time:** 10:00

**Demo relaying:** 9:45

**First runners' start:**

V14: 10:00	V21: 11:20	V105: 12:35
V18: 10:05	V165: 11:25	V135: 12:40
V195: 10:10		

### Race number:

Race numbers' structures are the following: category- relay's number- runners' number, e.q. 14.10.01- category V14, team number 10, first runner. The sequence of the runners are also shown by the colour of the race number- first runners has red race number, seconds has white one, third has green one, and fourth has blue one.

### Terrain:

Holiday village with built-up areas, parks and forests, somewhere climbing is significantly different and vegetation can be dense. ***Wearing spikes shoes is allowed, but trail shoes are suggested even in case of rainy weather! Wearing ong pants also suggested.***

### Map:

Made in 2016, scale 1:4000, contours 2,5m, with ISSOM 2007 symbols. Size: 215 x 305mm for all categories, printed in waterproof – pretex- so we can note provide plastic bags at the start.

Small man-made object- bench, headboard, landmark, golf basketelectrical distribution boards are not indicated on the map. Due to the dry summer, thicket vegetation is more runnable as it indicated.

### Relaying:

In the finish area a spectator point will be placed which every runner will check. After the spectator point there are 4-6 minutes to the finish depends on the categories. Teams are reaponsible to watching the members at the spectator point.If a runner passes the spectator pointthe next runner is allowed to enter to the relay zone and pick up the rolled up map-which has the same number as her/his race number. After entering the relay zone, runners can not come out from there. Map can be seen only after relaying

which made by touch. Finishing runner will punch the SI after relaying. In case of close run in, the first who passes the finish line wins. It doesn't depend on the sequence of SI punching.

#### **Maps collection:**

After finishing we will collect the maps. Maps can be picked up expected around 13:30, after the last competitors start. Any not picked up maps will be sent by mail.

#### **Results, prize giving ceremony:**

Results will be published online, and it will be shown on a projector in the event tent.

The expected time of prize giving ceremony is 14:00. There will be no prizegiving in open categories.

#### **Prizes:**

The winner teams of the categories awarded to be the Hungarian Sprint Relay Champion. Finishers 1-3 places will receive medal and gift prizes.

### **Open categories**

#### **Entry:**

Until 18:00 , 9. September at [nevezes@gytk.hu](mailto:nevezes@gytk.hu), by sending your name, club, category and SI card number-or your claim if you want to rent, then in the competition center till 8:30 on Saturday, and till 9:30 on Sunday.

Entry fee: 1.000 HUF/ person/day

#### **Start:**

Open categories has different start places on both days.

On Saturday yellow stripes will lead to the start, length is 1100 m. Start is possible from 10:10 till 10:40. Runners can start in the sequences of their arrival, per minutes.

On Sunday start is next to the relay's finish, in the north-eastern direction. Start is possible from 12:45 till 13:45. Runners can start in the sequences of their arrival, per minutes.

## OTHER GENERAL INFORMATION

*To ensure fairness we strongly call the attention of the competitors and trainers before and during the races do not step into the competition areas as the attached map!*

*Strictly forbidden to bring older maps into quarantines!*

*In the final strictly forbidden to step to the grass or parking in the finish area!*

### **Control points, punching:**

At the controls there are orange- white bouy and SPORTident box ( more will be placed out if the point is busy) and an old style puncher. Old style puncher must be used if SPORTident doesn't work. Punch must be done to the side of the map and it has to be shown after finishing.

Pay attention, that some SI card can record only 30 points. If your SI fills – by checking points which are not included in your course,-SI boxes can not send you any feedback!

### **Results:**

In the competition center we apply online system to publish the results. You can follow the results through a free WI-FI service without using mobile internet. You have to connect to SSID 'ROB-ORVB', then 'eredmeny.hu' has to be written into your browser. Here, you will see the simplified website of the event, where you can choose the categories.

Results also can be followed at live.mtfsz.hu, but on the venue it will be available only by using your own internet access.

In the buffet, a projector will be placed out, where you will be able to follow the results as well.

Start lists will be published on paper as well.

**Competition doctor:** Both days medical service is in the competition centre. Every participant competing on his/her own risk.

**Merchandise activity:** In the competition center and finish area merchandise activity can be done only with the permission of the organizers and the notary of Gyöngyös city.

Competitors can resort the following **discounts:**

- on the whole weekend you can visit the **Zoo** at group discount with showing your race number,

- Gyöngyös' **Swimming pool and Spa** ensure 50% discount to the competitors on Saturday and Sunday as well. At the entrance you have to say your name.

On Saturday among the qualification and final, the following artists and their performance will be seen on the main stage on the southern end of the main square:

- Vidróczki Folk Dance Club' youth group
- Népidzsadzsa Dance Club
- Shirayan Vajramutthi Martial arts Group
- Gyöngyös Troupe- with musicals
- Black Jam Dance Club- Hip-hop Dance school (Zoltán Erika's dance school)
- Fortuna TSE (acrobatic rock and roll)
- Ritmus Dance studio
- Nagy Tibor Wirág and Simon Gábor's performance

The organizers adapt the principles of the program „Get the green sport green out!” therefore we ask the participants to pay attention to the selective garbage collection at the event center.

The participants- competitors, escorts, and spectators – agree that pictures, video recordings taken in the competition- contrary in the absence of a written statement- including the internet can be published in printed and electronic media.

Do not leave your packages unchecked in the event center and finish area!

Have a pleasant and succesful competition!
