

# Őrség Cup

23-24th of March 2019

## Bulletin 1

We would like to invite you to the first Őrség Cup, which is organized as a national ranking event in Hungary. It is also the first time for us to bring one of the stages to the truly wonderful forests on the other side of the Hungarian-Slovenian border. The first stage will be an enjoyable and fast long distance course on Saturday, followed by a challenging middle distance race on Sunday.

The perfect start of the new season after the long winter trainings!

**Organizer:** Alpokalja Szabadidősport és Környezetvédő Egyesület

**Location:** Kercaszomor, Hungary and Pečarovci, Slovenia

**Organizing committee:**

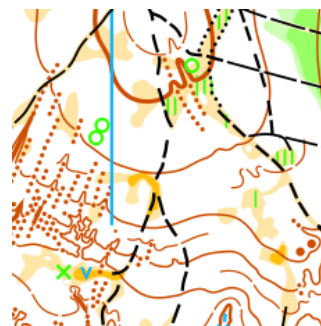

- **Competition leader:** Levente Szalay ([szalaylevente99@gmail.com](mailto:szalaylevente99@gmail.com))
- **Vice-competition leader:** Julia Juhasz ([futniiskell@gmail.com](mailto:futniiskell@gmail.com))
- **Secretary:** Kristof Gyorffy ([kristof.gyorffy@gmail.com](mailto:kristof.gyorffy@gmail.com))
- **Course setting:** Kristof Gyorffy (long), Levente Szalay (middle)
- **Controller:** Balazs Gyenizse-Nagy

**Program:**

- **23th of March, 11:00 a.m.:** long distance, Kercaszomor, Hungary
- **24th of March, 10:00 a.m.:** middle distance, Pečarovci, Slovenia

**Terrains:**

- **Long distance, Kercaszomor:** Typical terrain of the Southwest of Hungary. Relatively low hills, but still some height differences because of the steep valleys. Detailed, challenging network of ditches and valleys at certain parts

of the terrain. The forest is mostly well runnable, with some dense vegetation.

- **Middle distance, Pečarovci:** Mostly well runnable forest with some dense thickets. The relief is very detailed and diverse. The relatively low hills with numerous ditches and valleys are typical in this area as well.

### Maps:

- **Long distance, Kercaszomor:** drawn in August-September 2018, corrected in February 2019. Scale: 1:10 000, contours: 5 m. Drawn by Gabor Toth, printed on waterproof pretext paper.
- **Middle distance, Pečarovci:** drawn in 2008, entirely renewed in January-February 2019. Scale: 1:10 000, contours: 5 m. Drawn by Gabor Toth, printed on waterproof pretext paper.
