Method of PreO/Relay:

In addition to the traditional PreO course (24 tasks), there will be a TempO station (6 flags/8 tasks). Tipo Cup results and The Hungarian Team/Relay Championship results are given from the result of the PreO course and the TempO station (TempO result in seconds + 60 seconds for PreO mistakes) Competitor.

The relay teams are made up of two people, but teammates are not required to compete for each other.

Ground conditions: The race takes place on a sandy dirt road, while the sand is not deep, but the participation of wheelchair riders is only recommended with an attendant.

Prizes: the first three placed competitors will receive prizes.
