

# Őrség Cup

22nd-24th May 2021

**Invitation**

We would like to invite you to the heart of the Őrség region in Western Hungary, where we will organize the largest Őrség Cup of the recent years. This year's event will contain three races (sprint, middle and long distance) of which the first and the second stage will be a World Ranking Event. The event will also be part of the EYOC, JWOC and WOC qualification for the Hungarian National Team, so we expect the very best Hungarian runners to participate.
