

Mecsek Open'22
International Orienteering Competition
(62nd Mecsek Cup)
15-17 April 2022

Final bulletin

Welcome to Hungary, Pécs!

We are ready to welcome you for an exciting orienteering weekend in our area! A 3-day orienteering adventure among the dolinas on the slopes of Mecsek and on the scene of our most attractive heritage the Zsolnay Cultural Quarter. We wish all participants an enjoyable and successful competition and a pleasant time after the competitions. Please feel free to discover the unique sights, the cultural, historical, architectural heritage and the fine cuisine that await you in the neighbouring area and in Pécs, a UNESCO World heritage site.

Maps:

The maps are made or surveyed according to the IOF regulations in 2022. Information about the scale of the maps can be found at the description of individual competition days. The competition maps were printed on waterproof Pretex paper. After finishing the race, competition maps will not be collected, thus all competitors are kindly asked to respect the rules of fair play. Control descriptions will be printed on the maps and also provided separately in the start area.

Start:

The start procedure will be similar on each day. Competitors shall enter the start area 3 minutes before their start. Separate control descriptions will be available in the warm-up area before entering the start. The units to clear and check SI cards will be available in the start area and maps can be taken at the moment of start.

Control points:

Air+ SI punching system will be used at the event. Control points will be equipped with orange-white control flags and SI units. In case of lack of response from the SI units please punch on the map. SIAC can be rent with limited number at the registration. Price: 800 HUF /person/day.

Finish areas:

Refreshment: After completing the race, competitors will be given water as refreshment and an apple in Rácz-tanya. To reduce the amount of plastic waste, please bring your own plastic cup. You can place your cups in the designated cup holders before the race.

Waste collection: In the assembly area waste will be collected separately. Please place your waste in the appropriate container.

Medical aid with ambulance, doctors and nurses will be available in the finish area. The ambulance will be on site In Rácz-tanya during the race.

Washing facilities: On Day 1-3 water taps will be provided in the assembly area.

Food (also warm dishes) will be available for purchase in the assembly area.

Results:

The results will be shown on live.mtfisz.hu.

Children's course:

Children's course with a marked path will be organized on 16-17 April at the assembly area or its close proximity. Children can start the race at any time during the competition on both days. There will not be timing or prize-giving ceremony at the children's race.

Kindergarten:
