# Sprint Championship (ROB) Final

#### **COMPETITION CENTER:**

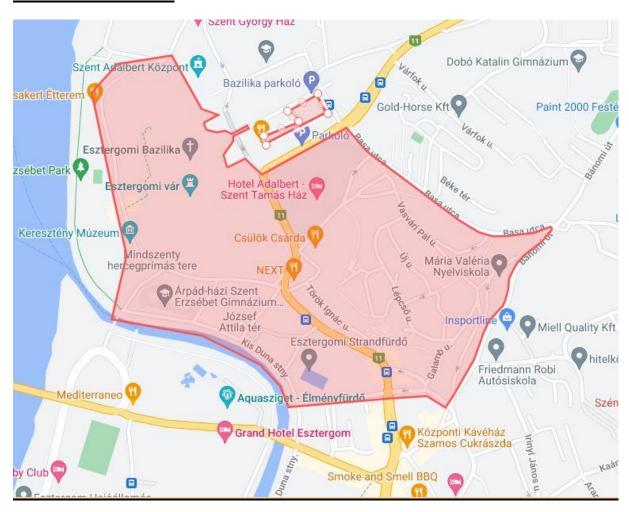

Esztergom, Szent István tér, area in front of Basilica (GPS: 47.799378, 18.737997)

#### **PARKING:**

There will be no organized parking.

Parking in the city center is free in most places on Saturday and Sunday. A limited number of parking spaces are available around the competition center! We recommended using more distant parking lots and approaching the competition center area on foot! If possible, leave your vehicles near the accommodation.

#### **EMBARGOED AREA:**

In area the orienteering activities (navigating with map, testing a route) are forbidden until the end of the race. Before the competition and during the race (**September 17 12:30-18:00**) only competitors are allowed to stay! Violators may be disqualified from the competition!

Between two races the shopping, lunch at a restaurant and access of vehicles are allowed in the city center, but in this case you have to leave the restricted areas to 12:30

**"0" time:** 14:30

Closing of quarantine: 14:45

#### **STARTS and QUARANTINE:**

#### Number Start 1 and quarantine:

For categories: F/N 14-65, F70 and F75

- Competition Center Quarantine distance: 1450 m, 0 m elevation orange tape
- Entrance of quarantine Prestart: 200 m, 0 m elev,. blue-white tape
- Prestart Start: 600 m, 10 m elev., blue-white tape

It is mandatory to follow the tapes!

The start quarantine is open at 8:20 AM and **everyone must enter to 14:45!** Sufficient number of toilet are available in the quarantine.

There is enough spacing for warming up.

Additional symbols can pick up at Prestart.

Please take care of cleanliness!

#### **HOW TO START:**

-15 min: departure from prestart

- 4 min: admission

- 3 min: clean, check, SIAC test

- 2 min: start number check

- 1 min: standing next to the map

0 min: start

The map start is located 30 meters from the time start along the mandatory route.

#### **Number Start 2 and related informations:**

These categories start from a separate start without quarantine:

W70, W75 and W80

M80 and M85

- Competition Center Start 2: 100 m, 0 m elevation, yellow-black tape.
- Method of start: Traditional 3 minutes start-up time

Since there is no quarantine for the oldest categories, and we do not collect the maps from the competitors who finished, we especially ask competitors to follow the rules of fair plays!

#### **START NUMBERS for FINAL:**

The "A" finalist of W/M 21A categories will received a new starting number for the final, which they must wear.

The start number must be worn in two copies: one on the chest, one on the back. New start numbers must pick up in the quarantine building.

Everyone should bring a safety pin!

#### **FINISH OUTLINE:**

#### **TERRAIN:**

The terrain can be divided into two significantly different types of parts. The first half of the course use the winding streets and stairs with a significant level difference of the Szenttamás district, the second half covers the park around the Basilica. The courses starting from Start 2 run only in the park around the Basilica.

The ratio of the solid cover approx. 90% Runnability and visibility excellent, enables high speed running.

There may be minimal car traffic in some parts of the terrain, please run carefully! When it rains, the terrain (both grassy areas and paved streets) can become very slippery.

Recommended running clothing: training or cross-country shoes, with short-legged clothing. The use of spiked shoes prohibited!

#### MAP:

ISSprOM 2019-2, Surveyed in 2022.

Scale, contour and size:

W/M 14-21 categories: 1:4000 / 2m, A4 W/M 35+ categories: 1:3000 / 2m, A3

The maps are digitally printed on waterproof Pretex paper, so we do not provide foil.

The map was made by Gábor Forrai Gábor and Miklós Forrai.

The code will not be shown in addition to the number of the points on the map.

#### **SYMBOLS - EXTRA SYMBOL:**

The symbols can be found on the map, be also provide extra symbol.

The extra symbol can be picked up at prestart in case of start 1, and at 2. minute in case of start 2

We provide adhesive tape and scissors to put it on.

#### **CROSSING POINT:**

All the course starting from start 1 touch a spectacular crossing point.

#### FINISH:

The finish of final we be in Competition Center.

The maps do not have to take out.

**COMPETITION TIME:** 60 minutes

#### **PRIZE GIVING CEREMONY:**

The scheduled time is 18:00 on the square in front of the Basilica.

## **COURSE DATA:**

The distances and elevations are given on the optimal route.

## **Sprint Relay Championship (ORVB)**

#### **COMPETITION CENTER:**

**Esztergom**, Erzsébet park, GPS: 47.798416, 18.733615

#### **APPROACH:**

Approaching and leaving the competition center is only possible on foot from north, avoiding the prohibited areas. It can be reached from city center by going around the castle hill. **More details on the info map!** 

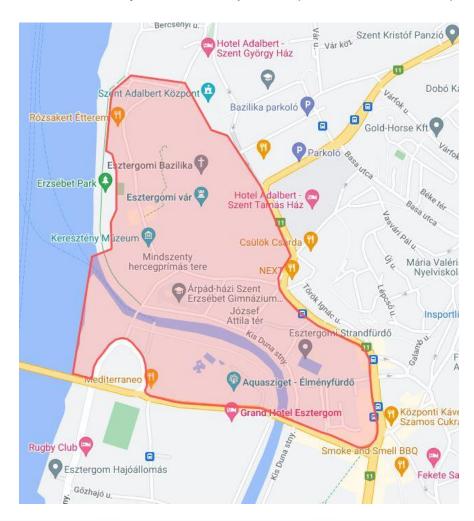

#### **PARKING:**

There will be no organized parking.

Parking in the city center is free in most places on Saturdays and Sundays as well. **There is no parking around the Competition Center!** We recommend using more distant parking lots and approaching the Competition Center on foot! If possible, leave your vehicle near the accommodation.

#### **EMBARGOED AREA:**

In the prohibited area marked on the info map orienteering activities (navigating with map, testing a route, exploring different areas etc.) are prohibited until the end of the race. Before the competition and during the race **September 18 8:00-14:00 only as competitor allowed to stay!** Violators may be disqualified from the competition!

#### OUTLINE OF FINISH AREA: > > >

"0" TIME: 10:00 AM

#### **MASS STARTS TIME:**

10:00 - V14

10:10 - V195

10:20 - V105

11:15 - V18

11:25 - V135

12:20 - V21

12:30 - V165

#### **SUBMISSION of RELAY MEMBERS:**

Members of relays can be submitted by name via the e-nevezés system until September 17, 2022 at 8:00PM. We recommend that the runners are entered in days before the race, so that only possible changes need to be entered at the location of the race. The line-ups will be made public one hour before the zero time, so that all competitors can check that they have received the correct starting number.

#### **CHARACTERICS of RELAY COMPETITION:**

In categories V14A, V18A and V21A the relays consist of four people, two females and two males. The competitors run in fixed order: female-male-male-female.

In the V105, V135, V165 and V195 categories, the relays consist of three people, one female and two males. The competitors running on courses of different lengths that are randomly distributed between them. The running order of tracks is fixed: long-short-medium track. In the relays female competitor can run on a men's course, but a man cannot run on women's course.

#### **TYPE of COMBINATION:**

Farsta

#### **DISTANCE of MAP START:**

100 m, 0 m level, mandatory route

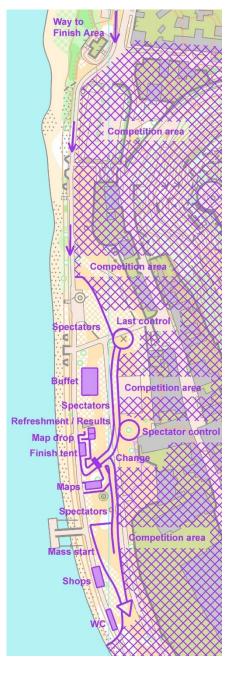

#### **MASS START:**

It will be next to the runway. Line up for the mass start five minutes before start.

#### **CLEAR, CHECK of SI CARD:**

Boxes for clear, check and SIAC test will be placed at entrance to the transition zone and at the mass start. We recommend using them well before the mass start or entering the transition zone.

#### **RUN TROUGH:**

All runners of each category must catch a crossing point that clearly visible from the finish area. From the run to the finish, depending on category, 6-800m (approx. 3 min). It is the responsibility of teams to watch the passage of their partner.

#### **CHANGEOVER:**

The relay partner of competitor passing through the crossing point enters the relay zone, where he picks up the rolled-up map corresponding to his own start number, after which he cannot leave the area. The map can only be unfolded (and the rubber can be removed) after the changeover by clapping of hands The finisher catch the finish box behind the finish line after the changeover.

#### **DECISION of PLACES:**

In case of tight finish, the plane of the body is decisive at the moment of crossing the finish line, regardless of order of subsequent touching of the finish box.

#### PRESENTATION:

We will present the changeover, run-through, map pick up and arrival at the finish line 15 minutes before the first start.

#### MASS START FOR RUNNERS STILL WAITING AT THE FINISH:

Scheduled time: 13:30

#### **MAP TAKE OUT:**

All runners must out their map in the club's map holder bag. You can only leave the changing zone after this! Get the competition map possible after 1:30 PM

#### **TERRAIN:**

Esztergom - Víziváros Varied urban terrain with cobblestone streets, parks, waterfront promenades, courtyards and multilevel buildings. In the terrain the elevation is not significant. Runnability and visibility excellent make a high–speed possible.

Most of the terrain is not closed to vehicular traffic. In general light traffic is expected. Run carefully! 90% of the tracks are paved. Recommended running clothing: cross-country or training shoes with short legged clothing.

The use of spiked shoes is prohibited!

#### MAP:

ISSprOM 2019-2, Surveyed in 2022.

Scale, contour and size:

: V14, V18, V21 categories 1:4000 / 2m, A4 V105, V135, V165, V195 categories 1:3000 / 2m, A3

The maps are digitally printed on waterproof Pretex paper, so we do not provide foil. The map was made by Gábor Forrai Gábor and Miklós Forrai.

The code will not be shown in addition to the number of the points on the map.

#### **SYMBOLS - EXTRA SYMBOL:**

#### **GENERAL TECHNICAL INFORMATION FOR THE RACES:**

#### **POINT MOUNTING:**

Stand, orange-white bouy, punch stamp, SI box

#### **POINT CATCHING:**

The competition is organized with the SPORTident electronic system. If the SI box does not indicate, then the map must be punched. The SI boxes will be programmed for non-contact mode, the range approx.- 30 cm. We draw your attention to point 17.6 Missing electronic point catching of the Competition Regulation!

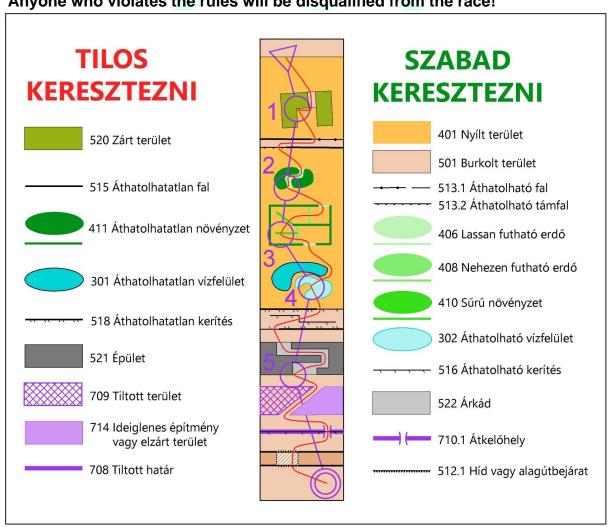

#### MARKING FORBIDDEN AREAS ON THE MAP:

The map depicts prohibited and crossable objects according to the ISSprOM 2019 standard.

Marks on the map that are prohibited to cross:

Objects that are sown as prohibited on the map but their boundaries are not clear on the ground will be cordoned off or marked with tape and competition judge will watch for violators of the rules

#### Anyone who violates the rules will be disqualified from the race!

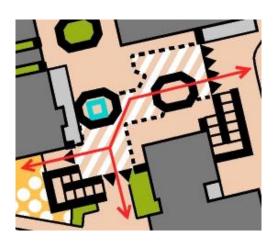

#### **MULTI-LEVEL BUILDINGS ON THE MAP:**

The map depicts multi-level buildings according to the ISSprOM 2019-2 standard. Both levels of such buildings can be walked on. The sample the upper level approx. close a 45° angle with the direction of lower level. If there is another surface on the upper level, the pattern must be used in its color.

For the changing room at the beach the drop-ins shown in this picture are not sown on the map. The upper level has been shown in these places.

#### **GROUPS IN FINAL:**

From qualifiers of the category:

- In case of 48 or more participants, 24 people will go to the A final, the next 24 to B final and so on. Competitors with foreign citizenship are included in the number of participants;
- In case of between 10 and 47 entrants, 50 % of the entered competitors in each race – rounded up in case of an odd number of entrants – will go to the A final, the others to the B final;

In case of 9 less entries, all competitors will go to the A final
If the number of 5 people in one of the finals from qualifier cannot be ensured
in the final, then the competitors concerned can start with one higher
classification.

#### **TRAINING MAP:**

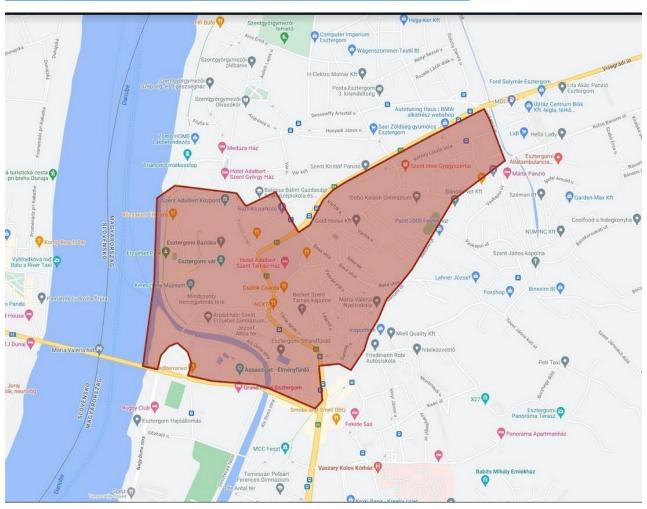

From September 10, 2022, it will be possible to use the training terrain located in the immediate vicinity of competition terrain, with map that can be downloaded from the MTFSZ webpage. Checkpoints marked on the training map are virtual, they are not marked on the terrain.
