## Terrains

### 1. day

#### (Event center-Nagykálló: 50 km)

Most of the terrain is abandoned vineyard hills with open and semiopen areas with little undergrowth (tall grass). The forest part is a plain sand dune forest, with fine topography in some places. The runability is variable.

### 2-4-5. day (Event center-Erdőbénye: 27 km)

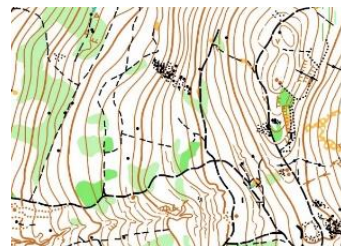

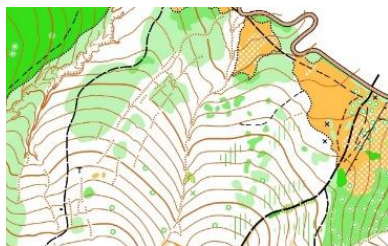

Mid-mountainous terrain with steep hill sides, moderately divided topography in some places.

The area is mostly covered with clear forests, that part has good runnability, but in some parts running can be difficult due to undergrowth or stone fields.

### 3. nap (Event center-Tokaj: 1 km)

Downtown of Tokaj with an irregular network of paved streets.

#### Maps:

The maps will be prepared according to ISOM 2017-2 and ISSprOM 2019-2 IOF standards, using a LIDAR base.

**Scales:** 1. day: 1:10000/2m and 1:7500/2m
