## **Parking**

Read section **Details on the etaps** for exact locations. During parking please follow the instructions of the organizers. Please do not leave valuables in your vehicles, because there will be not only orienteering competitors in the Event Center's area. You can leave your car keys at the EC tent (night) or at the kindergarten (E1 + E2) where it will be guarded.

## **Terrain**

Detailed description can be found in each etap. Water features can be more dominant in the reality than shown on the map, due the last weeks' rainy weather.

E.g.: pit → waterhole, erosion gully → water channel, marsh → shallow body of water.

## **Maps**

4 colored digitally printed to water-resistant paper.

ISOM2017-2 map key is used. Read section **Details on the etaps** for details such as scale, contours, size, etc. Prior versions of maps can be seen in the finish area in a form of exhibition.

## **Control descriptions**

Printed on the maps. Extra control description can be picked up at the start in the penultimate start field. For the extra control description we provide you equipment to put it up (scissors and duct tape), however, for the sake of environment friendliness, we ask you to please use your own control description case, if possible. The extra control description were printed on blank side of second hand paper due environment friendly reasons.

## **Classes**

M - Men, W - Women. Open classes: Open A – Open Advanced; Open B – Open Easy; Open T – Open Taped (with stripes).

Free start time (between 0 and 120) for the competitors who run in "Open" at E1 and E2. At the night event there will be given start times also for the competitors of Open E.

## **Starting**

You will get the map at the last start field. You can check the class on the map, but you shouldn't look the map before your start. You can stand with your map along the start line until the start signal.

## **Punching**

SPORTident electronic punching system will be used. The SI units will be working in contactless Air mode.

## **Controls**

Controls will be equipped with SI-box, punch, orange-white flag. On night event controls will reflect light.

## **Refreshement**

All competitors arriving to the finish can refresh on self-service mode. There will be drinking water bottles and paper cups.

On the longer courses of E2 there will be a refreshment control during the race. See section „Details on the etaps” for further info.

## **Map collection**

Maps will be not collected. Please play fair, don't show your map to the not started competitors.

## **Results**

Results can be observed in several ways.

- Via internet, browse <http://live.mtfsz.hu>
- The results will be shown on a projector at the finish areas.

Results printed will be in limited amount. Result of the day will be hanged at the finish area the next morning. Results will be uploaded to the events website at the end of each day.

## **Children's race, kindergarten, left-luggage point**

Children's race (free of charge) at the E1 and E2 races near the EC. During the E1 and E2 races kindergarten is provided by the organizers at the EC.

At the night race there will be no children's race and kindergarten. Luggages and car keys will be guarded at the finish tent.

You can leave your luggage at the kindergarten where it will be guarded. Your car keys can also be left there in safe position.

## Victory ceremony

Night: Saturday 23.00

E1+E2 Overall: Sunday 13.30

## Prizes

First three of overall results (E1+E2) in each category receives medal prize. First three of the night race receives prize.
