Recording system: ToePunch system will be used for registration of answers and for time keeping on the courses. Control cards and punchers (or safety pin) will be used as back-up system. Please, bring your own puncher. Some punchers will be possible to borrow at prestart.

Flags: There are more far tasks (more than 100 m). On the map of each such task, we marked the greater (8m or 12 m) zero tolerance in control description in the 8th column.

Classification by total points (one point for each correctly solved control) minus a penalty of 1 point for each 1 min or fraction used past the maximum allowed time. Total time used on the course will be used as a tiebreaker.

Results

The results will be both day published online in the top.yq.cz website.

The overall ranking of Hungarian TrailO Weekend 2023 will be the sum of the point (calculated according to CHIS Cup formula used also in TORUS) of the three competitions. The top three competitors in classes Elite Physically Challenged, Elite Juniors and Elite Open will be awarded. The prize giving ceremony will take place on Sunday next to the Competition Centre.

Prizes: Medals and practical prizes for the best in each class.

Electronic devices: The use of other electronic devices is prohibited during the competition. This is especially true for mobile phones. Violation of this rule leads to disqualification.

Weather: August is a warm month in Central Hungary, it brings some of the sunniest days with an average of 13 hours of sunshine. During the Event, temperatures during the day climb to around 27°C and often as high as 30°C, while at nights fall to 15°C. It is a bit cooler in the forest. Average August rainfall is 71.1mm. Expect to see some light to moderate rain and a chance of thunderstorms in the

afternoons. August is quite calm with an average wind speed below 10 km/h. Humidity is also low during August.

There is very little shade in the competition area. We provide water in the middle of the PreO course and at the start of the PreO Sprint. Please everyone take care of sun protection. (Sunscreen, hat)
