Event description

Two-day, individual, orienteering competition, with a long distance race on Day 1 and a middle distance race on Day 2, with overall results evaluation.

Both races in the M/W21E classes are IOF Gold World Ranking Events.

On Friday, an individual, middle distance race with mass start (with forkings) will be held, along with a relay competition in the M/W21E classes, which will not count towards the overall results.

Programme

- 2 April 2027 (Friday) – Honvéd Cup Prologue – Honvéd Cup Prologue (individual middle distance race with mass start - open courses with forkings) + in M/W21E classes 3 men relay
  Planned first start: 14:00 (relay in M/W21E), 16:00 (mass start prologue)
- 3 April 2027 (Saturday) – Honvéd Cup Day 1 – Long distance (IOF Gold WRE), Planned first start: 10:00
- 4 April 2027 (Sunday) – Honvéd Cup Day 2 – Middle distance (IOF Gold WRE), Planned first start: 10:00

Classes

- M/W 10D, 10DK, 12C, 14B, 16B, 18B, 15-18C, 20A, 21E, 21Br, 21C, 35A, 40A, 45A, 50A, 55A, 60A, 65A, 70A, 75A, M80A
- **Open classes:** Open Beginner (OB), Open Advanced (OA)

If the number of entries in the M21E and W21E classes exceeds 90, the elite categories will be divided into two separate groups. The division will be based on the athletes' current positions in the IOF Foot Orienteering World Ranking.

Entries for the CEYOC classes (M/W16–18E) can be submitted in accordance with the CEYOC Bulletin 1, available here: LINK

The expected winning time in M21E and W21E classes is **32–35 minutes in middle distance, 88–92 minutes in long distance.**

Prologue classes:

- Open Advanced Long (OAL) – approx. 35 minute winning time
- Open Advanced Short (OAS) – approx. 25 minute winning time
- Open Beginner (OB) – approx. 25 minute winning time
- M/W21E (3 men relay) - approx. 35 minutes/leg winning time

Entries

Online entry system

In case of any problems arising during the entry process, the organizers can provide assistance via the e-mail address: info@woc2027.hu.

With the exception of the open classes, all competitors must hold either an annual or a daily competition licence issued by the Hungarian Orienteering Federation (HOF). The entry system checks the validity of the annual licence at the time of entry; if it is missing, the fee for the day competition licence will be automatically charged.

Payment

By bank transfer or by credit/debit card via the online registration system, based on the invoice issued after the competition. **Submitting an entry entails a payment obligation!** After the draw, entries cannot be cancelled even in the open classes (compensation is only possible by submitting a new entry or by changing the name).

Terrain

The competition terrain is located in the central part of the Bakony Mountains, near the village of Fenyőfő, at an elevation of 300–700 metres above sea level.

The terrain is mainly covered by runnable deciduous forest, but denser vegetation limiting both running speed and visibility also occurs in several areas. The terrain consists of extensive, mostly steep and varied valley systems, with detailed rock formations in several places.

Maps

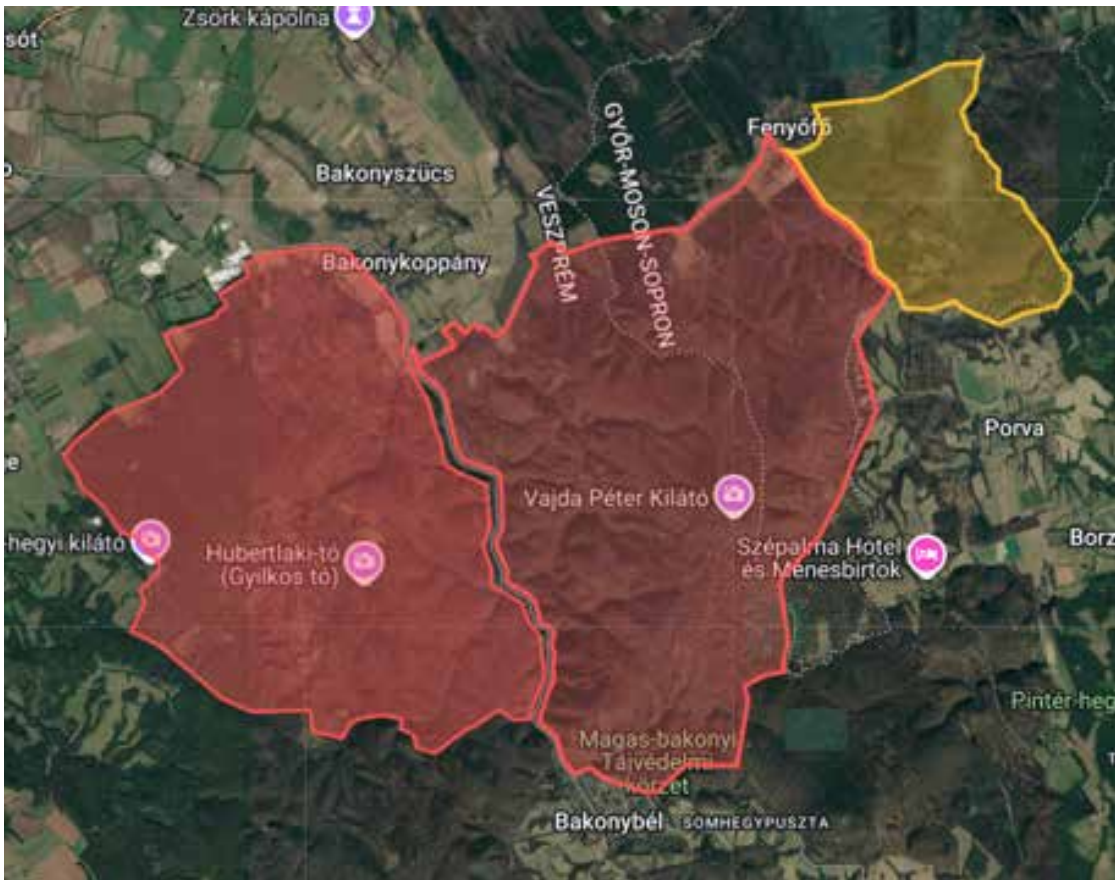
- Prologue & Relay – 1:10.000 / 5 m
- Day 1 (Long distance) – 1:7.500 / 5 m, 1:10.000 / 5 m, 1:15.000 / 5 m
- Day 2 (Middle distance) – 1:7.500 / 5 m, 1:10.000 / 5 m

Maps are made in 2026–2027 using LiDAR data – Tibor Erdélyi, Zoltán Dénes, János Spiegl (HUN – WOC 2027 map makers).

Previous orienteering maps of the terrain are available in the HOF database.

Embargoed area

From the publication of the Bulletin 1 until the day of the competition, it is strictly forbidden for athletes intending to participate in the Honvéd Cup 2027 and their coaches to enter the area marked on the map sketch. Violation of this rule will result in disqualification from the competition.



The interactive map of the embargosed area is available.

Entry is also prohibited for anyone else who could influence the competition by passing on knowledge of the terrain.

Punching system

The SPORTIdent electronic punching system will be used. Contactless (Air+) mode will be enabled in both races. Traditional SI cards can be rented on site for 500 HUF per race, and contactless SIAC cards for 800 HUF per race. For competitors born in 2013 or later, traditional SI card rental is free in the M/W10D, 10DK, 12C, 14B classes.

Accommodation, transportation

Accommodation options will be published later in the HOF database. No organized transportation is planned, but if requested in advance, we will arrange transport to the competition centre.

Additionally, a wide range of accommodation options offered for the WOC training camps is available on the World Orienteering Championships website.

Car rental

Participants of WOC 2027 training activities may benefit from a special agreement with Sixt.

A 15% discount is available on standard online rental rates under the following conditions:

- Validity: At Sixt locations worldwide
- Application: The discount is applied to the online rental price at the time of booking
- Exclusions: The discount does not apply to additional services or extras

Prizes

The overall 1st–3rd place finishers of the Honvéd Cup, as well as the 1st–6th place finishers of the IOF Gold WRE races, will receive prizes.

Visa permits

According to current regulations, citizens of certain countries are required to obtain a visa to enter the European Union. EU nationals do not require a visa to enter Hungary.

Other travelers may need a Hungarian visa depending on their nationality. For details on visa exemptions and entry requirements, visit the Hungarian Ministry of Foreign Affairs website: https://konzinfo.mfa.gov.

Climate, clothing, hazards

In Hungary, the average temperature at the beginning of April is around 10–15 °C, no special conditions are expected.

There might be ticks in the forest, so check your skin and clothing after training and competition. Ticks might transmit Lyme-disease and Meningoencephalitis.

There are no restrictions on clothing. Spike shoes are forbidden. Dobb shoes and dobb shoes with metal studs are allowed.

Training opportunities

Following the competition, the 3rd Official Training Camp for the WOC 2027 will be held, with further information available on the website: woc2027.hu

Information on other training opportunities can be found in the WOC Training Bulletin.

If interested, please contact the WOC Training Team in advance, but no later than 3 weeks before the planned training session.

Other information

- Participation in the competition is at each participant's own risk.
- Any commercial activity during the event is only allowed with prior permission from the organizing committee.
- The relevant provisions of the Hungarian Competition Rules apply to organisational and technical matters; for the IOF Gold WRE, the relevant provisions of the IOF Competition Rules apply.
- Participants (competitors, team officials, spectators) accept that photos and videos taken during the competition may be published in print or online media, including on the internet, unless a written statement to the contrary is provided.
- The Central European Youth Orienteering Cup (CEYOC) will be held alongside the competition; a separate Bulletin 1 has been published for CEYOC, which is available here: LINK.
