General Information

Program:

Long Championship:	10 October 2026, 11:00 AM
Team Championship:	11 October 2026, 10:00 AM

Competitions:

Long Championship:	Open, long distance, individual championship, WRE race in M/W21E categories.
Team Championship:	Open, control picking team championship (detailed rules later).

Patrons: Tamásné Csicsmanczai, Mayor of Pilisszántó
Mónika Móczán, Managing Director of Hegyvidéki Szabadidősport Nonprofit Kft.

Organizer: MOM Budapest Orienteering Team (Hegyvidéki Szabadidősport Nonprofit Kft., 1122 Budapest, Városmajor u. 29., 30/309-5503, nevezes@mom-o.hu) & Hangya SZKE, on behalf of the Hungarian Orienteering Federation (MTFSZ).

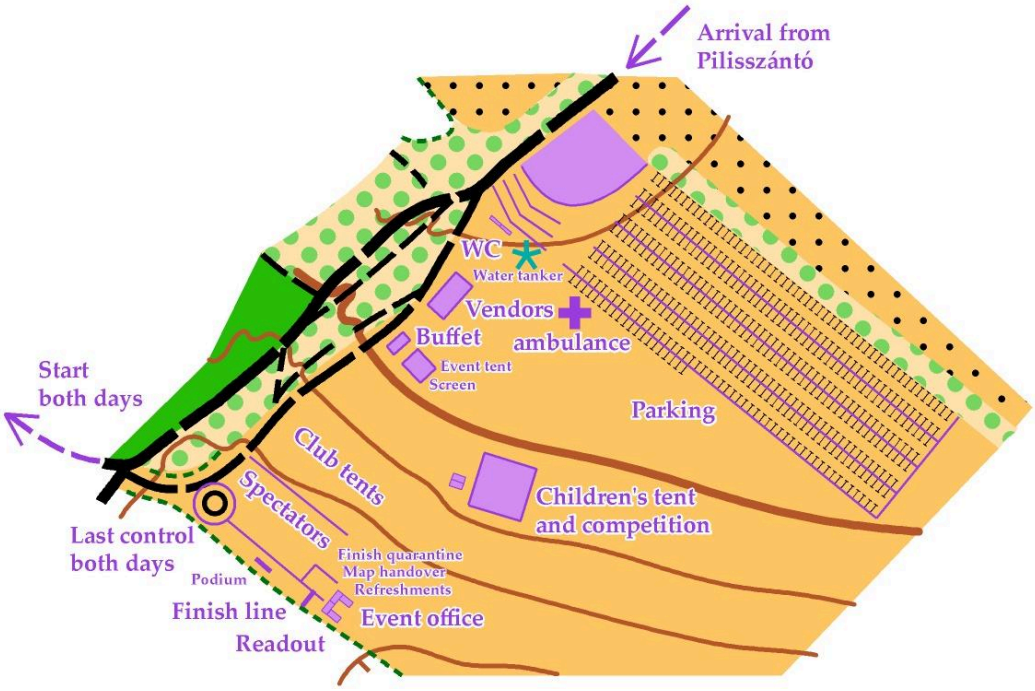
Event director:	László Borosznoki
Vice event director:	Márton Mets
Secretary:	Ákos Bossánszky
Start:	Gergely Kain
Finish:	László Iván, Márton Mets
Maps:	Ákos Kisvölcsey
Course Planners:	Péter Györgyi, Balázs Miavecz (Long); Ádám Oszlovics, István Zsebeházy (Team)
SI:	Gábor Józsa
Speaker:	István Zsebeházy
Event Controllers:	Gábor Kovács (Long, WRE EA), Márk Gárdonyi (Team)

Event Center:

Parking: 47.6608, 18.8759; **Event center:** 47.6595, 18.8748. See the overview map.
By car: Via Pilisszántó, Felszabadulás utca, then a 700 m long gravel section. You can only drive slowly on the latter, so allow enough time for arrival! Parking is 200 m from the event center. The parking fee is 500 HUF/day; to speed up parking, please have the exact amount ready. The two days can be paid at once. Parking is prohibited in the inner area of Pilisszántó (except for those with accommodation there). Those arriving by large bus should contact us via e-mail.

By public transport: 1400 m walk from the Pilisszántó, posta stop.

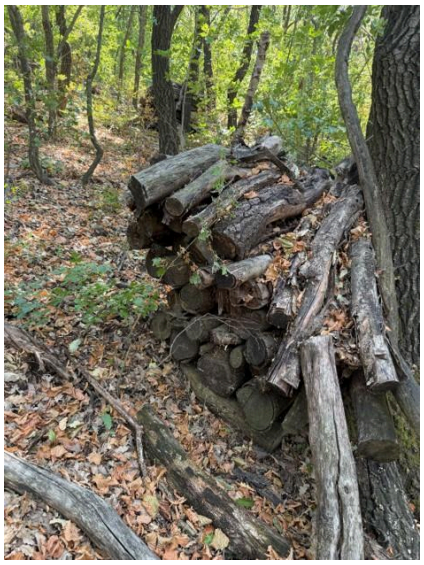
Team tents can only be set up in the designated area to ensure visibility of the finish line.



Registration: Saturday from 9:00 to 10:30, Sunday from 8:45 to 9:45. Entries only for open categories. Online modifications can be made until 8:00 AM on both days; the on-site modification fee is 500 HUF. Payment online or on site in cash; invoices will be issued afterward based on the e-nevezes data.

Terrain: The terrain has extremely varied vegetation and topography: from highly runnable forests with moderate elevation to steep hillsides covered with dense pine and deciduous forests intersected by deep valleys, as well as areas dotted with almost impenetrable thickets. Blackberry bushes hinder runnability in several places. There is also a highly detailed section with pits, ditches, and rocks that provide navigation challenges. There are significant differences between the areas covered by the courses of different categories.
Beehives are located on the terrain, marked as out-of-bounds areas (ISOM 709). In order to avoid accidents, we ask for extra caution near the quarries close to the finish. Due to this year's dry weather, objects marked as wet on the map and in the descriptions (e.g. water holes) are currently dry but clearly recognizable.

Map: Updated from LIDAR base in 2025-2026 by Ákos Kisvölcsey. For the size and scale of the maps for each category, see the separate course data file. The map material is Teslin for classes running with a 1:15000 scale map, and Pretex for other categories. Intensive forestry is taking place; only major logging roads are shown on the map. In some places, posts of dismantled fences are visible; these are not shown on the map, nor are smaller woodpiles.



Special map symbols:

	abandoned charcoal burning site
	abandoned, old well
	post; other man-made feature

Control descriptions:

On the map on both days; loose control description will only be available at the Long and can be picked up after entering the start. Tape and scissors will be provided.

Open Classes:

Entry fee is 3500 HUF/person/day until 8 October, and 4000 HUF/person/day thereafter. Free starts between 40 and 100 on Saturday, and between 0 and 90 on Sunday. There will be no award ceremony.

Map Return:

Maps must be returned after finishing on both days; they can be collected after the last start.

Refreshments:

Refreshments will be provided for finishing competitors on both days. The Long Championship refreshment points are detailed in the next section. There will be no refreshments on the course during the Team Championship.

Food & Drink:

Tickets for the lunch menu ordered at the buffet can be picked up at registration. Hot food, sandwiches, and churros can still be purchased in limited quantities. If possible, bring cash. Rotburger Brewery will serve draft beers, and Kávékikötő will offer various coffees and vanilla shakes.

Environment:

- There will be no central waste collection; please take your waste home! Bring your own cup or flask; reusable cups will only be provided in limited quantities.
- Please keep the event center and the forest clean!
- Smoking and open flames are prohibited.
- There will be no paper-based results; they will be displayed on a projector and online via Oresults.

Other:

- The competition uses the SPORTident system; AIR+ mode will be active. In case of malfunction, manually punch the pin on the map and report it at the finish.
- **WRE classes are called M21E (Men) & W21E (Women) The other classes are named with an F (Férfiak/Men) and an N (Nők/Women).**
- Participants agree to their results, photos and videos being published in printed and electronic media, unless a written statement is provided to the contrary.
- Everyone participates at their own risk and is responsible for any damage they cause.
- An ambulance will be on-site on both days.
- Washing facilities and mobile toilets are available at the event center.
- Commercial activities are only allowed with the organizers' permission.
- Extra information is available on the competition page or the website.
- The organisers can be contacted at nevezes@mom-o.hu, or in case of emergency +3630 309-5503.

Long Distance Championship

First start: 11:00 AM

Bibs: Mandatory only in the M/W21E and F/N20E classes, to be worn on the chest. Pick them up at the beginning of the quarantine; please bring safety pins.

GPS: Selected competitors will receive a GPS to wear in a vest after entering the pre-start. Routes can be tracked live on track-live.com after the last start. Organisers will provide vests for the GPS units, but you are allowed to bring your own.

Start, Quarantines:

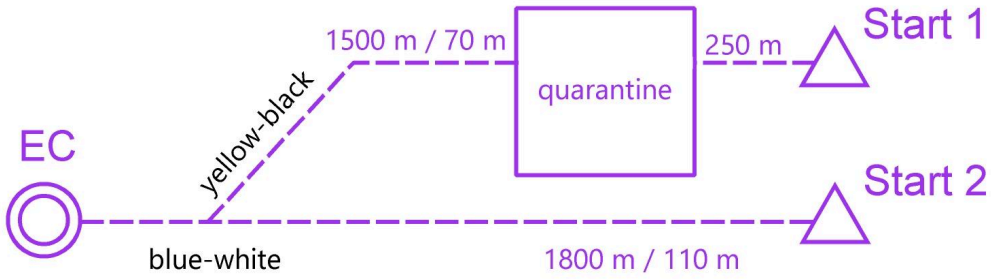
- The **M/W14-20E** (named F/N14-20E) and **M/W21E** classes start from **Start 1**, they should enter the quarantine beforehand from 10:30 to **12:00**. This quarantine can be reached via **blue-white,** then (after a junction) **yellow-black** tapes with a distance of 1500 m / 70 m. The junction will be clearly marked. Competitors in the M/W21E and M/W20E classes can pick up their **bibs** there. We will provide water, and there will be enough shaded areas as well as space suitable for warming up. However, mobile toilets might not be available there - information will be provided on site. Clothes left

there will be transported back to the finish. Affected competitors will receive their vests inside the quarantine, and their GPS units after entering the pre-start. The pre-start will be near the entrance of the quarantine, with entry at -10 minutes. From here, the -4 minute start box is approx. 250 m away marked with yellow-black tapes. In case of bad weather, the jury may modify or cancel the quarantine.

- All **other classes** start from **Start 2**, marked with **blue-white** tapes. There is no start quarantine; the start distance is 1800 m / 110 m. Clothes left at the collection point established shortly before the start will be transported back. Entry is at -4 minutes.

Clear units are located within the starts; tape and scissors will be provided for the loose control descriptions.

There will be a finish quarantine for all competitors until 12:00 (minute 60)!



Refreshments: Water and glucose sweets will be provided at the locations indicated in the table. No personal refreshments can be left.

MEN				**WOMEN**			
F18E	23%	68%		**N18A**	41%		
F20E	35%	65%		**N20A**	38%		
M21E	21%	48%	70%	**W21E**	26%	56%	71%
F35A	66%						
F40A	62%						

Award Ceremony:

Expected at 15:30 PM. The winners of each class will earn the title of Long Distance Champion of Hungary. The top 3 finishers will receive medals and honorary prizes. The 4th-6th place finishers in the 14-21 classes will also be awarded. There will be no award ceremony for the Open Classes.

2026 HOB PCSB
Hosszútávú és Pontbegyűjtő Csapat Országos Bajnokságok

Team Championship

First start: 10:00 AM

Rules: Special features of the team competition:
Team members start at the same time. The result of the team is determined by the finish time of the LAST member of the team. EACH team member must punch 5-12 mandatory controls, depending on the category, in the order given on the map. Mandatory controls are marked with continuous capital letters (A, B, C, D,...) and are connected to each other. Additional controls are marked with codes (numbers) and must be punched by at least one team member. The distribution of additional controls among the team members takes place in competition time. These must be punched after the first (A) and before the last mandatory control. The mandatory controls are shown separately from the additional controls in the control description.

Teams: Team compositions can be submitted until 8:00 AM on Sunday via the e-nevezes system; modifications after this time are only possible with the permission of the event controller, subject to a penalty fee of 20000 HUF/team. Mobile internet in the event center has variable quality, so we highly recommend submitting team compositions by Saturday evening.

Start: 1400 m / 75 m marked with blue-white tapes. There will be no quarantine or bibs; we ask everyone for fair play. Entry at -4 minutes, clear unit within the start, there will be no loose control descriptions. We will provide tables and pens (please do not take the pens with you to the course).

Award Ceremony:
Expected at 2:00 PM. The class winners will earn the title of Team Champion of Hungary. The top 3 finishers will receive medals and honorary prizes. There will be no award ceremony for the Open classes.
