Terrain

The competition terrain is located in the central part of the Bakony Mountains, near the village of Fenyőfő, at an elevation of 300–700 metres above sea level.

The terrain is mainly covered by runnable deciduous forest, but denser vegetation limiting both running speed and visibility also occurs in several areas. The terrain consists of extensive, mostly steep and varied valley systems, with detailed rock formations in several places.

Maps

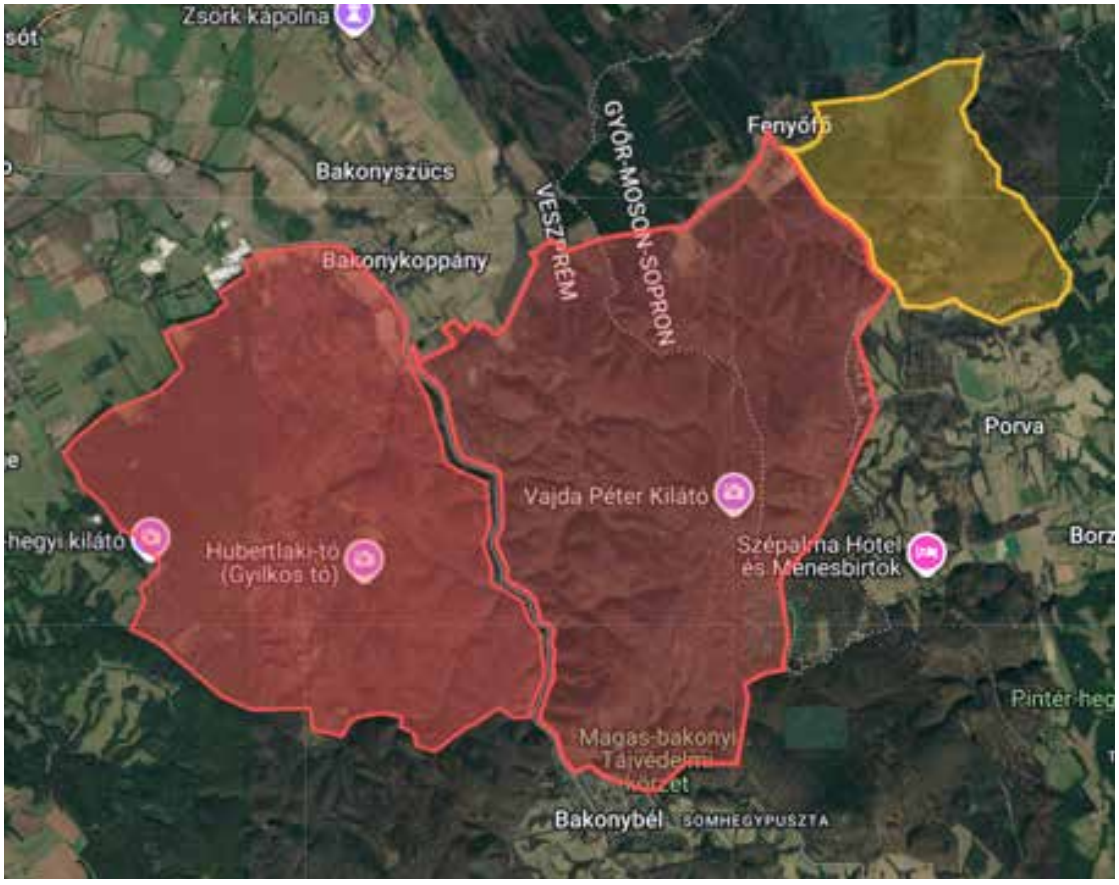
1:10.000 / 5 m on all races

Maps are made in 2026–2027 using LiDAR data – Tibor Erdélyi, Zoltán Dénes, János Spiegl (HUN – WOC 2027 map makers).

Previous orienteering maps of the terrain are available in the HOF database.

Embargoed area

From the publication of the Bulletin 1 until the day of the competition, it is strictly forbidden for athletes intending to participate in the CEYOC 2027 and their coaches to enter the area marked on the map sketch. Violation of this rule will result in disqualification from the competition.



The interactive map of the embargoed area is available.

Entry is also prohibited for anyone else who could influence the competition by passing on knowledge of the terrain.

Punching system

The SPORTIdent electronic punching system will be used. Contactless (Air+) mode will be enabled in all races. Air+ card may be rented from the organizer for 3 EUR / runner / day. Please note that it is still possible to use your classic SPORTident card.

Accommodation, transportation

Accommodation options will be published later on the CEYOC website, and in the Bulletin 2 of the competition in February 2027. No organised transport is planned.

Car rental

Participants of WOC 2027 training activities may benefit from a special agreement with Sixt.

A 15% discount is available on standard online rental rates under the following conditions:

- Validity: At Sixt locations worldwide
- Application: The discount is applied to the online rental price at the time of booking
- Exclusions: The discount does not apply to additional services or extras

Booking link HERE.

Prizes

Best 6 runners and best 3 relays in each class will be awarded. The best 6 teams will also be awarded according to the points received throughout the competition.

Visa permits

According to current regulations, citizens of certain countries are required to obtain a visa to enter the European Union. EU nationals do not require a visa to enter Hungary.

Other travelers may need a Hungarian visa depending on their nationality. For details on visa exemptions and entry requirements, visit the Hungarian Ministry of Foreign Affairs website: https://konzinfo.mfa.gov.

Climate, clothing, hazards

In Hungary, the average temperature at the beginning of April is around 10–15 °C, no special conditions are expected.

There might be ticks in the forest, so check your skin and clothing after training and competition. Ticks might transmit Lyme-disease and Meningoencephalitis.

There are no restrictions on clothing. Spike shoes are forbidden. Dobb shoes and dobb shoes with metal studs are allowed.

Rules of CEYOC

See on following link.

Public competitions

The Honvéd Cup (IOF Gold WRE) will be held alongside the competition; a separate Bulletin 1 has been published for Honvéd Cup, which is available here.

Other information

- Bulletin 2 will be published in February 2027
- Participation in the competition is at each participant's own risk.
- Any commercial activity during the event is only allowed with prior permission from the organizing committee.
- Participants (competitors, team officials, spectators) accept that photos and videos taken during the competition may be published in print or online media, including on the internet, unless a written statement to the contrary is provided.

The organisers warmly welcome everyone!
