Distances

Parking area – Finish area 200 – 400m

Finish – Start 1st day 200m (blue ribbon)

Finish – Start 2nd day 1900m / 60m (blue ribbon)

“0” – time 1st day 16:00, 2nd day 10:00 (On Sunday the competitors of Mecsek Cup will start at 11:30.)

Map Scale 1:10000 , contours 5m, size 31,5x22cm, offset printed. The map was surveyed in 2013. – 2014. The maps are laminated by default. Control descriptions are printed on the map , but you may also fetch an additional control description at the start.

Terrain It is a typical hilly terrain rich in deep valleys and gully systems. The runnability and visibility is generally good. Altitude above sea level: 200-400 m. The terrain has some undergrowth area. There would be some new path because of the foresters works.

Competition information

1st day the Finish SI box will be after some meter from the Finish line because of the School Championship relay race. Do not stop on the Finish line! ☺

2nd day In the F21A and N21A categories there will be map changes near the Finish. There will be refreshment point too. (F21A 50%, N21A 75%)

Kids' course 25th of May near the 1st day Start area. Start any time after "0". There will be no prize giving ceremony, all participants get a small present.

Time keeping system During the event, the SPORTident time-keeping system will be used. In case the SI box does not beep or flash, competitors must punch to the map with the traditional needle punches mounted on all controls. Please return the rented SI chips on 25th of May at the finish.

On-line results in the CC On-line results available in the CC through free WI-FI service.

Connect to SSID eredmeny (no password required).

And type eredmeny.hu into your browser. Simple web page of the event will be available with the real time results. In case of questions, please contact the organisers.

Lost competitors should head north to reach the main road 66. Near that road you can find the finish.

Prize giving ceremony Based on the Mecsek Cup middle and long distance combined individual results at 14:00 at the finish.
