Information

Categories

24 h relay, 24 individual, 12 h relay, 12 h individual. In the absence of interest the 6 h relay was closed up.

Terrain

Moderately hilly forest with generally good runnability and visibility. Some dense pinewood forests, clearings and green parts, plenty of gullies and some very detailed areas. Due to recent rainfalls partial grown up of underwood observed. Persistent foresting may result in new clearings and fresh forestry tracks after closing mapping works. Storms in May tipped large trees with roots (even 2 m large roots present) not indicated on the map.

Start package

Bib numbers: for the 24 h relays 24XX-A, 24XX-B, ..., 24XX-F, while for the 12 h relays 12XX-A, 12XX-B, ..., 12XX-F is the format of the bib numbers; XX: number of the team, A-F: marks the order of runners within a team.

Start cards: we give a package of start cards for each team (38 pieces for the 24 h relays and 18 pieces for the 12 h relays). The type and number of a course is printed on the cards (e.g. SEN-2) and the bib number of the team is printed on the back (e.g. 2411). Runners have to bring the appropriate start card (indicating the course they want to complete) to the changing zone at the finish. Runners receive their map at the map tent against the start card.

Map

Final corrections between April and May 2014. *Scale:* 1:10 000, for LD courses 1:15 000, 5 m contour intervals, printed on water resistant 'pretex' paper with size 215x305 mm.
